Amy Havens

Board Member

Amy Havens has been a member of the Indiana Chapter Board of Directors for one year. She is the Chair for the 2009 Arthritis Walk and served as Co-Chair of the Sponsorship Committee for the 2008 Arthritis Walk. The walk is Amy's favorite Arthritis Foundation event because, "it brings so many people together." Her husband also has a form of arthritis which inspired her to get involved with the Foundation in an effort to increase public awareness and education about the disease. She thinks arthritis research is especially important – "Arthritis affects people's day-to-day lives and activities. With research and education, we can make a difference in their everyday living."

Amy grew up in Fishers, IN but now lives in Carmel with her husband of five years and their dog Chelsea. She has been working in the banking industry since graduating from Indiana University in 1996 and is currently a Commercial Lender for the Commercial Banking Group at Forum Credit Union. Amy is also a co-creator and founder of Women Increasing Networking and Knowledge (WINK) in Hamilton County. Some of her hobbies and interests include golfing, traveling, and volunteering.
