

Fundraising For Success

- Set a goal for yourself! Set a goal for your team!
- Sign up online at www.letsmovetogether.org
- Collect donations at the time you ask for them!
- Ask friends, family, co-workers and neighbors to support you.
- Ask a business you frequent to support you (hairstylist, dry cleaner, etc...)
- Contact your company's suppliers or vendors.
- Make your own donation! Ask for donations from a club or group you belong to.
- Challenge another department at work - see who can raise the most money!
- Sell raffle tickets for a company parking space or a day off!
- Hold a fundraiser at work or school! Have a bake sale, sell bagels in the morning, have a "dress down day" or "jeans day" at work or hold a silent auction.
