# ARTHRITIS...

**The term used to describe more than 100 different conditions that affect joints as well as other parts of the body**

## THE FACTS:

- \* Arthritis is one of the most prevalent chronic health problems & the nation's most common cause of disability
- \* 50 million Americans are affected by arthritis
- \* 500,000 people living on Long Island are affected by arthritis
- \* 300,000 children are affected by arthritis across the United States

The Arthritis Foundation is the only nationwide, nonprofit health organization helping people take greater control of arthritis
