

# Juvenile Arthritis Awareness Month

## Social Media Toolkit

### TAG US:

Facebook: [Arthritis Foundation](#)

Instagram: [@arthritisfoundation](#)

X: [@ArthritisFdn](#)

LinkedIn: [Arthritis Foundation](#)

**HASHTAGS:** #KidsGetArthritisToo #StrongerThanJA #JAAwarenessMonth

### TWO SOCIAL MEDIA MESSAGE OPTIONS:

#### Option 1:

##### Facebook:

It's true, #KidsGetArthritisToo. Hundreds of thousands of children in the U.S. have juvenile arthritis (JA) or a related rheumatic disease. This July, in honor of #JAAwarenessMonth, we're teaming up with our partners at the @ArthritisFoundation to spread awareness of JA. Visit their website to learn the signs, symptoms and impact this disease has on families: <https://www.arthritis.org/juvenile-arthritis> #StrongerThanJA

##### Instagram:

# Juvenile Arthritis Awareness Month

## Option 2:

### Facebook:

July is Juvenile Arthritis Awareness Month and, together with our partners at the @ArthritisFoundation, we're spreading awareness that #KidsGetArthritisToo. Signs and symptoms of juvenile arthritis (JA) can vary and there is no cure – but there is help. If you or a loved one is impacted by JA or a related rheumatic disease, you can find resources and support at: <https://www.arthritis.org/juvenile-arthritis> #StrongerThanJA #JAAwarenessMonth
